SPIEF 2023: NEW OPPORTUNITIES IN INTERNATIONAL COOPERATION FOR SMALL AND MEDIUM-SIZED ENTERPRISES

1. An exclusive opportunity to become part of the country's largest business event and be one of the first guests to arrive at the venue on **14 June**. Attend the final day on **17 June** when events on the main programme will be held, in addition to thematic and industry forums.
2. Affordable participation rates of **RUB 25,000**.
3. Attend several industry forums at once, including the SME Forum, the Creative Business Forum, the Drug Security Forum and other important industry events taking place at the SPIEF venue.
4. Experience the SPIEF Expo exhibition space, the most talked about part of the Forum, where you'll be able to meet representatives of large companies and groups, and hear about the latest developments and proposals from large businesses, Russian regions and international Forum guests.
5. Become a part of the business programme (subject to approval by the Organizing Committee) and take advantage of a range of promotional tools at the Forum venue.
6. Take advantage of a unique opportunity to showcase your country's investment potential at the Forum venue.
7. We'll help you find partners and put you in touch with the right companies, and can arrange meetings on the sidelines of SPIEF. The Business Networking Platform is a space for effective networking and a comfortable venue where participants can hold meetings and offer business support.
8. Visit St. Petersburg during the legendary White Nights and attend some of the best cultural and sporting events the city has to offer, organized specially for SPIEF participants.
